21. (Unclassified - GLC) ADMINISTRATIVE Talked with Gary Jarmin, staff of the American Conservative Union, and told him the Director was favorably disposed to participate in the conference which was the subject of a letter from Senator Strom Thurmond and Representative John Ashbrook depending on scheduling. Jarmin said they would like to do this on either 30 September or 1 or 2 October and would like to establish the Director and Director Kelley of the FBI preference on the timing. He said if necessary it could be put over until the following week. After checking the Director's calendar, I told Jarmin 30 September looked to be the best time for Mr. Colby, but I would want to confirm this with him and I would do this tomorrow morning.

[REDACTED] 7. [REDACTED] LIAISON Called Wheaton Byers, PFIAB, back and informed him that the Hoover Report he inquired about was a NSC document and included a classified annex. The unclassified portion is available at the Library of Congress. The classified portion is in the custody of the NSC and further information about its availability could be obtained from Dick Ober. Agency records do not reflect that the classified portion was released to the House or Senate Select Committees. Mr. Byers was most appreciative of the information and he will look elsewhere for the report. Apparently, he had gotten the request from Representative Les Aspin (D., Wis.).
